

Math 2a Questionnaire

September 29, 2011

Please complete the following questionnaire. Then find my office (155 Sloan) and return it to me during office hours. If you cannot make my office hours, you must set up an appointment with me for some other time.

- Name: _____ Email: _____
- Name you prefer to be called: _____
- Major: _____
- What is your mathematical background? (e.g. What math classes have you taken at Caltech or elsewhere? What math-related courses in other departments have you taken? Have you done a math-related SURF?)

- What are your mathematical interests? If you are unsure of this, just say what you would like to know after taking Math 2a.

- What are your non-mathematical interests? (academic or non-academic)
